Dear [redacted]:

In an effort to assist you in resolving your account, our client has authorized us to offer you the opportunity to settle your account. This means instead of paying the full balance due on your account, you can pay 40.0% of the total amount due and our client will consider this account settled.

This is a great opportunity to finally take care of your account. If you wish to take advantage of this offer, either contact our office, or mail us your payment for $1,050.00. Please make your payment payable to "Citibank, N.A."

Please note the payment must be for the exact amount stated in this letter and must be received no later than 81 days from the date of this letter or this particular offer will be null and void. Please understand our client is not obligated to renew this offer.

If you have any questions, please call us at 1-800-311-6497. Thank you.

Sincerely,

* As of the date of this letter, you owe $2,624.24. Our client may assess interest on your account, which would increase the balance. If interest is assessed, an adjustment may be necessary after we receive your settlement payment.

Whenever $600.00 or more in principal of a debt is discharged as a result of settling a debt for less than the balance owing, the creditor may be required to report the amount of the debt discharged to the Internal Revenue Service on a 1099C form, a copy of which would be mailed to you by the creditor. If you are uncertain of the legal or tax consequences, we encourage you to consult your legal or tax advisor.
