Dear

We are writing in regards to your Nordstrom account.

This is to confirm that Nordstrom Card Services will accept a settlement of \$2366.00 the above referenced account. This amount is to be paid in 3 installments, with the payments due by November 17, 2017 for \$200.00, December 17, 2017 for \$1083.00, and the final payment posting by January 17, 2018 for \$1083.00. You will have fulfilled your commitments under this settlement agreement once we confirm the final payment has cleared your checking account—generally 30 days from the date the final payment posts to the account. At that time, Nordstrom Card Services will consider the settlement agreement satisfied and will report the account to the following credit bureaus as a charged-off account settled for less than the full balance:

Equifax  
PO Box 740241  
Atlanta, GA 30374  
800.685.1111

TransUnion

Experian  
PO Box 2002  
701 Experian Pkwy  
Allen, TX 75013

If you do not comply with the terms of our settlement, or the total settlement amount is not received by January 22, 2018, this offer will no longer be valid and the account will report to the credit bureaus above as charge-off, bad debt.
